

# Subscribing to an article

85 Gurjeet Kaur August 10, 2017 Article Subscribers

6867 0

Subscribers get notified when the knowledge base articles are updated or published. There are two types of article subscribers:

1. **Knowledge Base Subscribers:** Individuals who have subscribed to receive emails for the newly published articles.
2. **Article Subscribers:** Individuals who have subscribed to receive emails on the update of existing articles.

## How to subscribe as a KB Subscriber:

Go to "**Subscribe as Knowledge Base**" section which is available in the footer section of front-end knowledge base.

**Subscribe to Knowledge Base**  
Get notified when new articles are added to the knowledge base.

Enter your email ID and click on "**Subscribe**" button to open "**Subscribe Me**" page.

**Subscribe Me**  
To be notified by email when new articles are added to the knowledgebase, enter your name & email address in the field below.

Full Name \*

Rubal Singh

Email Address \*

rubal\_singh236@gmail.com

Security Code \*

d8ca967

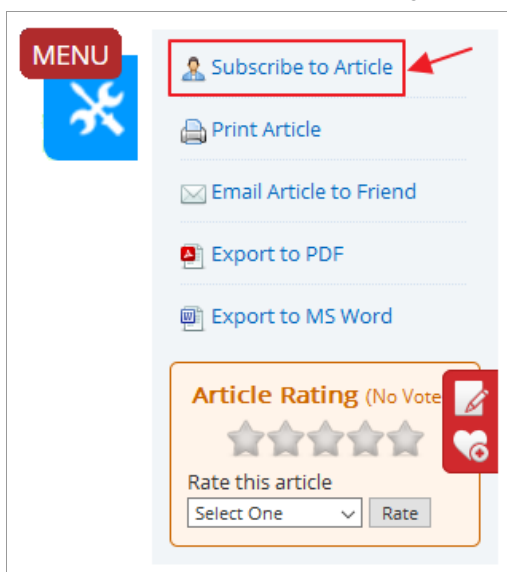

d8ca967

Fill in the form and click on "**Subscribe Me**" button to subscribe to the knowledge base.

## How to subscribe as article subscriber:

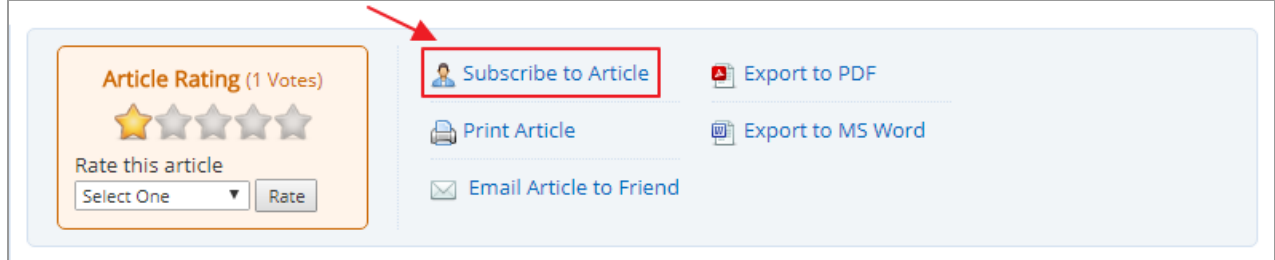

Open article in front end area.

Click on **Menu** button at the right side of article page and select "**Subscribe to Article**" option. This menu is available only if Theme1 is selected under Article Page Theme available under [Feature Settings](#).

If the Article theme page is set as theme 2 then this menu is available at the end of the content as shown in the figure

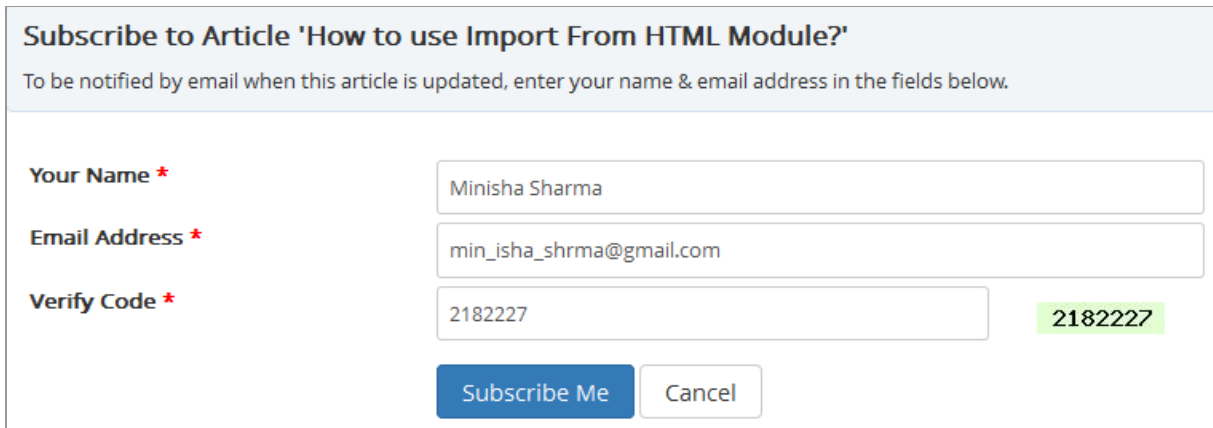

below:

The screenshot shows a user interface for an article. On the left, there is an 'Article Rating (1 Votes)' section with five stars and a 'Rate this article' dropdown menu. To the right of the rating, there is a 'Subscribe to Article' button with a red box around it and a red arrow pointing to it. Below the 'Subscribe to Article' button, there are three more buttons: 'Print Article', 'Email Article to Friend', and 'Export to PDF'. To the right of these buttons, there are two more buttons: 'Export to MS Word' and 'Export to PDF'.

You will be redirected to 'Subscribe to Article' input screen. Enter your details like name, email address and verify a captcha

code:

The screenshot shows the 'Subscribe to Article' input screen. The title is 'Subscribe to Article 'How to use Import From HTML Module?'. Below the title, there is a message: 'To be notified by email when this article is updated, enter your name & email address in the fields below.' The form has three input fields: 'Your Name \*' with the value 'Minisha Sharma', 'Email Address \*' with the value 'min\_isha\_shrma@gmail.com', and 'Verify Code \*' with the value '2182227'. The 'Verify Code' field has a green box with the value '2182227' next to it. At the bottom, there are two buttons: 'Subscribe Me' and 'Cancel'.

Click on **Subscribe Me** button for completing the subscription process.
